What is it?

- Platform for pooling professionals, experts and stakeholders working around health- and nutrition-based aflatoxin topics
- Develop this network into a community of practice with a IM discussion board and facilities to share important documents
- An online platform to be developed in stages
 - mailing list evolving to a community of practice with IM platform

OBJECTIVE

- Hold a database of actors in both sectors at country, regional and continental levels
- Share success stories
- Seek knowledge and advice on emerging issues
- Provide local expertise

ANTICIPATED NEXT STEPS

- Develop the database of workshop participants and other actors working in both fields
- Ask invitations for members on PACA website
- PACA Knowledge Manager to develop guidelines and eligibility criteria
